

RT. HON STUART ANDREW MP

AUTUMN EDITION

Parish Council Update

November 2025

It's hard to believe how quickly the year is passing! So much has happened locally, and I'm pleased to share the latest news and highlights from across our constituency.

Advice Surgeries

Since being elected, I have been hosting regular constituency advice surgeries, providing an opportunity for residents to discuss issues, seek guidance, and share their concerns directly with me. These sessions are a vital way for me to understand local priorities and offer support where it's needed.

If you would like to attend a surgery, please get in touch to book an appointment, and visit stuartandrew.org.uk to see where and when I am hosting them.

The Daventry Constituency Best Pub 2025 Awards Night celebrated the pubs that are at the heart of our communities. Winners included The White Horse, Welton (Most Dog Friendly), The Kings Arms, Farthingstone (Best Garden), The Red Lion, Thornby (Best Pub Grub), The Wheelwright's Arms, Watford Village (Best Community Pub), The Ale Pole, Daventry (Best Town Pub), and The Countryman, Staverton (Best Rural Pub).

The People's Praise Award went to The Red Lion, East Haddon, recognising the heartfelt support of local patrons. Over 4,500 votes showed just how much our pubs mean to the people of Northamptonshire. For a full list of winners, runners-up, and highlights from the evening, visit stuartandrew.org.uk/news/daventry-constituency-best-pub-2025-awards-night.

Young People's Forum

I have held several successful Young People's Forum sessions covering topics that matter to young people, from how to become an MP to local services, the NHS, and international issues. It's been fantastic to see so many young people from across the constituency getting involved.

If you are studying politics, want to learn more, or enjoy discussing current affairs over pizza, and would like to join in our own version of 'Question Time', please get in touch.

How Can I Help You

As your MP, I also assist residents with casework, helping people navigate issues with government departments, local councils, or public services. This can include matters such as housing, NHS concerns, benefits, immigration, and other issues affecting daily life.

If you need support, I encourage you to get in touch so my team and I can provide guidance and help resolve problems.

Agricultural Forum

I held the second Agricultural Forum in October at Lamport Hall. The event was very well attended, with a panel including the Rural Crime Team Inspector from Northamptonshire Police, the NFU County Advisor, representatives from Yellow Wellies, the Country Land and Business Association, and Lamport Hall. The forum covered key issues affecting our farming community, including rural crime, land management, and practical support for local farmers. Plans for next year's forum are underway. Please don't hesitate to get in touch if you'd like to participate.

Work Experience

It has also been a busy year offering "Day in the Life of an MP" work experience. Local students can spend a day seeing how parliamentary and constituency work operates, either in Westminster or from my constituency office, gaining insight into political and community life.

Christmas Card Competition 2025

There's still time for local children to enter my Christmas Card Competition! The deadline is now Friday 21 November. The winning design will feature on my official Christmas cards, including those sent to The King. Find out how to enter on my website.

Monthly Newsletter

If you have questions, ideas, or would like to invite me to local events, please get in touch. I also publish a monthly e-newsletter and would be happy to feature your upcoming events.

School Visits

Over the past months, I have had the pleasure of visiting many schools across the constituency. These visits are a wonderful opportunity to meet students, hear their ideas, and discuss the issues that matter to them. It's always inspiring to

see young people engaged and passionate about their communities.

Local Businesses

I regularly meet local businesses and organisations, hosting business breakfast clubs and visiting premises across the constituency. It's always valuable to speak face-to-face, hear about the highs and lows of running a business, and understand the challenges you face. Common topics include business rates, national insurance rises, and practical ways to support growth and sustainability.

Remembrance Sunday

I was honoured to attend Remembrance services across the constituency, including Daventry Town and Sibbertoft, laying wreaths to pay tribute to those who gave their lives in service to our country. Thank you to everyone involved in organising these moving commemorations. We will remember them.
