Northamptonshire Talking

NORTHAMPTONSHIRE POLICE

Do you have CCTV? We'd like to hear from you

We're asking residents and businesses across Northamptonshire to complete a short survey about CCTV in their area.

If you have CCTV, please take a few minutes to complete the survey and tell us about your system. If you don't have CCTV, we'd still like to hear from you, so please complete the survey and select **"No"** when asked.

CCTV can play a vital role in helping us investigate crimes, identify suspects, and gather evidence. Having up-to-date information about where CCTV is located also means that, if an incident occurs, we can quickly identify and contact the right people to request relevant footage, helping to support investigations more effectively.

Please click here to complete the survey

Thank you for your support in helping make Northamptonshire a safer place.
